# Events, Conventions & Tradeshows

Regina has everything you need to host a world-class event, convention or tradeshow. And this city comes together for key initiatives. We know how to put on a show!

Regina features an abundance of unique spaces to accommodate everything from small, intimate meetings to large congress-style conferences. Additionally, venues such as the RCMP Heritage Centre, Saskatchewan Science Centre, the Casino Regina Show Lounge and the AGT Lounge at Mosaic Stadium are a perfect fit for high-end hosting and special events. Whether it is annual trade events - such as Canadian Western Agribition or Canada's Farm Progress Show - or rotating national and international conventions, visitors are always left with an appreciation for our renowned prairie hospitality.

Our city is known across the country for its passion for sport, welcoming spirit, committed volunteers and a work ethic that won't let us settle for anything but the best. We are recognized for our ability to successfully host some of Canada's most prominent national and international sports events ranging from the 2010 IIHF World Junior Hockey Championships and the 2013 Grey Cup to the upcoming 2018 MasterCard Memorial Cup and the 2018 LPGA CP Women's Open.

- Six theatre locations
- High-tech performing arts centre
- Outstanding outdoor festival venue space
- Las Vegas-style show lounge at Casino Regina

"Canada's Farm Progress Show is the premiere farm show in the world and it's in Regina. You have people coming from all over the world to either showcase their wares, their capabilities, or to learn, understand or acquire knowledge or equipment. It continues to meet and exceed the needs of the farming community."

Dr. Vianne Timmons  
President & Vice-Chancellor, University of Regina
