Finance & Insurance

Regina is headquarters for national and international financial institutions. Farm Credit Canada (FCC), Saskatchewan Workers' Compensation Board (WCB), Public Employees Benefits Agency (PEBA), TD Greystone Managed Investments and Saskatchewan Government Insurance (SGI) all hold head offices here. The Co-operators Group Limited maintains its Life and Health Insurance head office in Regina and Canada Life's Insurance Division is based out of Regina.

Regina businesses are managing portfolios in the billions:

- Co-operators Group Limited employs 800 people, manages \$35.1 billion in assets
- Canada Life's Life Insurance Division has \$22 billion in assets in its consolidated general funds as well as \$5 billion of segregated fund assets
- Farm Credit Canada has a portfolio of \$26.9 billion and 1,600 permanent employees
- TD Greystone Managed Investments is an institutional money manager, and is one of Canada's 10 largest money managers (\$35 billion)

Quick Facts

8,170 employed in finance and insurance sector

\$3.8 billion in sales

\$2.3 billion in GDP

15.5% GDP

"Our turnover of employees is very low and I think that is because we're located where we are. The quality of life here is attractive, I live 10 to 12 minutes away from the office. That's certainly an advantage."

Robert L. Vanderhooft
CEO & CIO, Greystone Managed Investments
