Economic Development Regina acknowledges that the land on which we gather is Treaty 4 Territory – the ancestral lands of the Cree, Dene, Dakota, Lakota, Nakoda and homeland of the Métis. We acknowledge the harms of the past and are committed to moving forward in the spirit of reconciliation – respecting and honouring that the Indigenous peoples are the spiritual and cultural keepers of their traditional lands. It is important to continue to preserve their culture, values, and language to ensure that the spirit and intent of Treaty 4 continues.
