ADVANCED MANUFACTURING

Regina is a city that knows how to build, with more than 200 businesses that generated $7.4 billion in sales and employed more than 6,000 people in 2025, a performance that held strong despite tariff challenges. Our tradition of innovation is more than 100 years old and continues today, driven by precision manufacturing and deep specialization in agriculture and defence.

Major players such as Brandt, Degelman Industries, Meridian Manufacturing, Pro Metal Industries, and Viterra anchor this strength and shape Regina's industrial landscape.
